

It has come to my attention that one of my favorite radio stations, K-Love 100.1 FM, is at risk of being removed from our area. I feel that this would be a great disservice to the community. There are very few radio stations such as this that play Christian music and talk shows which support healthy and morally sound entertainment.

I, as well as many of my colleagues, listen to this station in our office and know that not only do we receive great music for the office but know that we will receive any news updates that may be important or of interest to our community.

I am asking that you reconsider any thoughts of removing this station. It would make many people sad/mad.

Thank you for taking the time to seriously review this matter.

Sincerely,
No'ne Bailey
